"Together by passion, Desquiciado by wine"

Pinot Gris

This Pinot Gris comes from Gualtallary – Tupungato, in the heart of the Uco Valley, from young vines.

Two harvests were made at different times, with the aim that the wine had fruity and herbaceous notes at the same time. The soils are sandy with the presence of silt and stones half a meter above the ground.

This wine is made up of 90% Pinot Gris, 5% Chardonnay and 5% Sauvignon Blanc. Our Pinot Gris retains the characteristic acidity of the varietal and a fresher aromatic expression.

Alcohol: 12,5% Year 2020
