

DESQUICIADO

"Together by passion, Desquiciado by wine"

Malbec Salvaje

This Malbec is made with grapes from Gualtallary – Tupungato, in the heart of the Uco Valley.

This wine is made up of 90% Malbec and 10% Syrah.

Malbec and Syrah were co-fermented together in percentages similar to the final cut. The maceration lasted 30 days in order to enhance the concentration of the wine, as a result of its location in the vineyard.

Once this process was finished, everything was sent to second-use French barrels for 20 months.
