

# DESQUICIADO

*"Together by passion, Desquiciado by wine"*

## Salvaje Cabernet Franc

This Cabernet Franc is made with grapes from Gualtallary – Tupungato, in the heart of the Uco Valley.

This Cabernet Franc is composed of 85% Cabernet Franc, 10% Petit Verdot and 5% Syrah.

The grapes of all varieties were co-fermented together in microvinifications with percentages similar to the final cut.

The maceration lasted 26 days looking for concentration and structure. Once this process was finished, everything was sent to second-use French barrels for 20 months.

**Alcohol: 14,5%    Year 2018**
