

"Opening a bottle of Roca involves discovering a passion transmitted from generation to generation"

Malbec Family Reserve

This Malbec is made with grapes from the vineyards in San Rafael, Mendoza.

This wine is made from 100% Malbec, 12 months in oak barrels (70% French oak, 30% American oak).

Intense color where perfect violet red tones are reflected. Aromas of red fruits predominate, amalgamated with sweet notes of vanilla from its oak aging. In the mouth it has a great structure due to its high concentration of well-ripened tannins. Elegant wine with great persistence on the palate.

Alcohol: 13,7% Year 2016
